**Subject:** Possum Point Notice of Planned Change for Your Review  
**Attachments:** PP Draft Notice of Planned Change 16 July 2016.pdf

Dave,

Attached is a draft letter to DEQ that provides the rationale for rerouting of Possum's Oil Water Treatment Basin to the Low Volume Waste Ponds under the existing VPDES permit. This reroute will help with water management during the pond closure project.

Please review and provide comments and/or your OK to transmit. This document has been reviewed by Doug Wight, Jeff Marcell, and my team.

Thanks,

Ken Roller
